

# manaskriti school

nurturing life-long learners

Sector 82, Greater Faridabad

Aarambh 6.0

why **Manaskriti School** is  
"perfect for your child "

# nurturing life-long learners

We at manaskriti accept the fact that learning is a lifelong process of keeping abreast of change, and the most pressing task is to teach people how to learn .

As we synergise at manaskriti that learning is creation that a learner creates by absorbing knowledge.

# 1

## happy mornings @Umang

Mornings are filled with joy and energy as we embrace "Umang," our vibrant program of varied activities that ignite creativity, promote well-being, and set a positive tone for the day ahead. From music and dance to sports and mindfulness, Umang ensures that each student starts their day with a smile, ready to embrace learning and discover their passions.

# 2

## strong academic foundation

# 3

We believe in building a strong education foundation that empowers students with knowledge, critical thinking skills, and a thirst for lifelong learning. Through rigorous academic curriculum, skilled educators, and a nurturing environment, we ensure that our students have a concrete foundation to excel academically and succeed in their future endeavors.

## expert visits to enrich young minds

At Manaskriti School, we believe in enriching our students' horizons by welcoming expert visits from authors and storytellers, igniting imagination and fostering a love for literature and creativity. Our commitment to holistic education includes inviting esteemed authors and storytellers to inspire our students, nurturing a deep appreciation for the written word and the power of storytelling.

# 4

## maker's lab - where we aspire to think big

# 5

We integrate STEM (Science, Technology, Engineering, and Mathematics) learning into our curriculum, fostering a passion for innovation and problem-solving. Through hands-on experiments, coding workshops, robotics competitions, and real-world applications, we equip students with the skills and mindset needed to thrive in the ever-evolving fields of science and technology.

## strong parent connect

**7** We believe in the power of strong parent-school partnerships and actively foster open communication, regular updates, and collaborative initiatives to ensure parents are actively involved in their child's educational journey.

## sports program to inculcate life-skills

We recognize the importance of sports in promoting physical fitness, teamwork, and character development. Our comprehensive sports program offers a wide range of athletic activities, expert coaching, and state-of-the-art facilities, empowering students to excel both on and off the field.

## environmental warriors - sustainable green campus

At Manaskriti School, we instill a deep sense of environmental stewardship in our students. Through eco-friendly initiatives, environmental education, and community engagement, we foster a love for nature and promote sustainable practices. Our students participate in tree planting drives, waste reduction campaigns, and conservation projects, empowering them to become responsible global citizens who care for our planet.

**10**

## technology aided learning

**6**

According to Manaskriti, technology can make learning more interactive and engaging, grabbing student's attention, and inspiring them to take an active role in their education. Our ICT curriculum, created by ICT 360, offers individualized learning opportunities catered to specific student needs and learning preferences. For offering a vast informational resource, we have a subscription to Altura's e-books for young readers. Additionally, to promote a culture of lifelong learning, we have designated audiovisual rooms.

## synthesis of Indian values and global awareness

**8**

At Manaskriti School, we pride ourselves in instilling Indian values in our students, fostering a deep appreciation for our rich cultural heritage and promoting values such as respect, empathy, and integrity. Through a blend of curriculum, celebrations, and community engagement, we cultivate a strong sense of identity, compassion, and moral responsibility among our students.

**Creative Expression**  
A comprehensive and vibrant curriculum

**Experiential Learning**  
Each space designed as a learning tool

**Self and Social Skills**  
Building empathy and collaboration

**Sports and Fitness**  
Towards health, wellness and fitness

## shaping 21st century citizens

We engage and encourage learners, promote them to see things on their own, and make them learn through experiences, rather than just relying on facts.

Design thinking

Entrepreneurship

Skill based learning

## our programs

The spirit of Manaskriti School that defines and sets it apart is the experiential learning path.
