October-December Session 2023-24

Embracing New Beginnings: Welcome to the Bright Horizons of 2024!

Dear parents,

Namaskar

As we stand on the cusp of a new year, we extend our heartfelt wishes to you for a joyous and prosperous 12 months ahead. The approaching year holds special significance for us as we witness the first graduating class of Grade 12, marking a milestone in our educational journey.

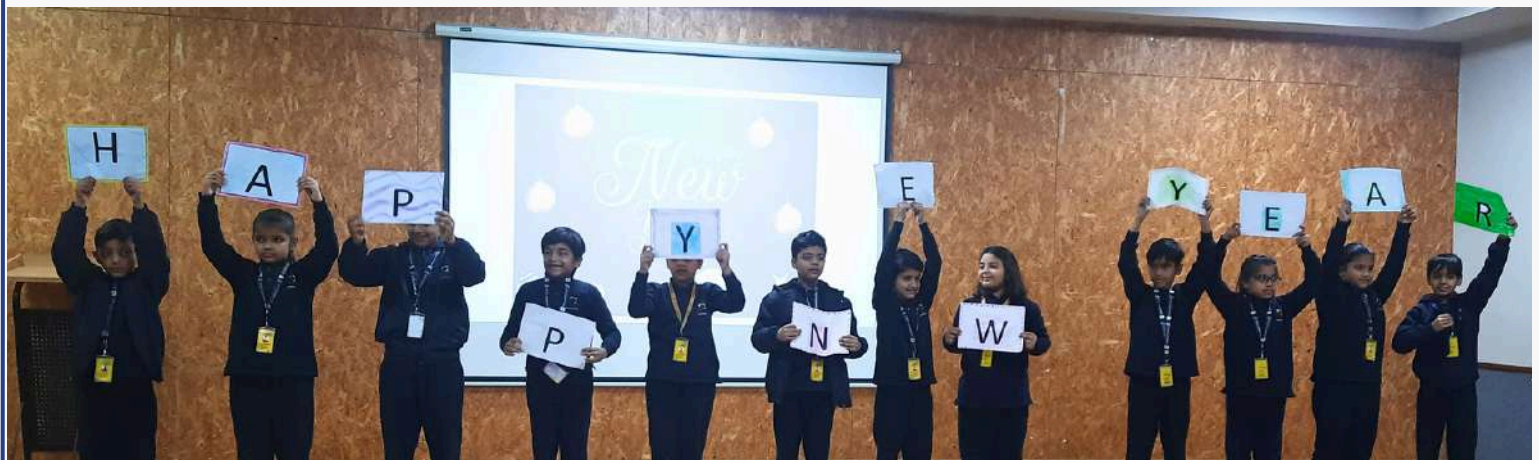

In the next 365 days, we anticipate a year of growth, achievement, and shared successes. The journey into the sixth year of our academic session brings with it the promise of continued excellence and unwavering commitment to nurturing the potential within each student.

In our newsletter, we've encapsulated the memories and achievements of the last three months of the previous year. From noteworthy academic accomplishments to heartwarming moments that showcase the spirit of our school community, we are excited to share these highlights with you.

May the new year unfold with moments of joy, discovery, and triumph for both our students and their families. We look forward to a year filled with collaborative learning, meaningful experiences, and the shared pride of accomplishments.

from

Team manaskriti

तथास्तु: Blessings from our Principal Mam

At Manaskriti, we commence every journey by seeking divine blessings. तथास्तु- her blessings aimed at bestowing good wishes for our Class XII students and extending wishes for their triumph in the CBSE Board exams.

Principal maam, Ms. Jyoti Bhalla, blessed each and every child and fueled their aspirations, urging them to soar to new heights, while remaining grounded in family values and the school's ethos of upholding the Indian value systems.

It was not only the blessings however, a beacon, illuminating the path to success, not just for the exams but for life beyond.

The school wishes them good luck with a hope that they shine with bright colours..!!!

A day of innocence and joy – Children's Day

On this special day, children indulged in craft activities, created colourful paper crafts, personalized cards, and imaginative origami masterpieces. Nurturing a child is like molding a clay. The day brimmed with laughter fostering a spirit of joy and creativity among the children. Children's day was marked by expressions of love, gifts and pampering of students. Educators organised special programs and performances for students which included competitions, quizzes, debating, painting, singing and dancing.

Tactile adventure in hindi

Our Hindi learning centre adopts a unique and engaging approach to language acquisition for kids. Our innovative Hindi learning centre aims to create a foundation of language proficiency through the fusion of creativity and education. By using clay as a medium we strive to make the process enjoyable for kids, ensuring they not only learn Hindi but also develop a passion for language learning.

Exploring the botanic

Through organic garden exploration, students understood and identified the different types of plants by the shape of leaves, color, length, and thickness of stem, and also the plant life cycle which starts with seed to fully grown plant. They saw radish, turnip, spinach, coriander, and papaya growing there.

Tales with the twist

A captivating story telling session was conducted for kindergarten teachers, designed to engage young minds through a blend of voice modulation, props and interactive acting. The primary objective was to create an enjoyable learning experience for the children while imparting valuable morals through story telling.

exploring national rail museum

In their delightful visit to the Rail Museum, the young explorers giggled with joy as they marveled at miniature trains, played in a train-themed playground, and listened wide-eyed to stories about choo-choo adventures. The museum became a magical space where little minds embraced the enchanting world of trains, leaving them with gleeful memories of their charming day out.

The door to the Guru

The young learners from Pre Nursery and Nursery embarked on a meaningful journey to the Gurudwara, marking a special occasion – the celebration of Guru Nanak Dev Ji's birthday. They engaged in the visit to seek blessings, immersed in the spiritual atmosphere, and delighted in the sweet taste of kada prasad, adding a joyful touch to their experience.

air we breathe

The students of grade 1 explored air's ability to fill shapes, exemplified by inflating balloons. Through this dynamic experiment outside the classroom, the young minds grasped the crucial relationship between oxygen in the air and the burning process, fostering a deeper understanding of combustion and the role of air in shaping our world.

अनमोल

a spooktacular fusion of fun and frights!

Anmol Kids went all out for their Halloween celebration! They hosted a special monster parade, where little ghosts, goblins, and monsters roamed in their spooky attire. The atmosphere was filled with eerie excitement as they indulged in spine-tingling, ghostly treats. It was a frights and unforgettable memories. 🎃👻. "Anmol Kids' Halloween celebration was a spooktacular affair! In addition to the special monster parade and spooky food, they also got crafty, creating spider paper plate crafts that adorned the walls. The entire wing was transformed into a haunted wonderland, with creepy crawly spiders, grinning pumpkins, and menacing monsters!

unwrapping joy and kindness this christmas!

"Experience the magic of the holiday season at our Anmol Wing! We orchestrated joyous Christmas activities for our beloved students. From festive crafts to heartwarming performances, the school was adorned with laughter and holiday cheer. Adding an extra touch of delight, our Anmol children enjoyed a memorable buggy ride, creating lasting memories of togetherness and merriment. Explore the highlights of our Christmas celebration, a perfect blend of festive spirit and the joy of giving, as we spread warmth and happiness among our cherished students.

In the spirit of giving back, our Anmol community came together to organize a heartwarming Secret Santa gift exchange, where students exchanged carefully chosen presents, strengthening the bonds of friendship and kindness. Additionally, our school hosted a charitable drive, collecting donations and non-perishable items to support local families in need, embodying the true essence of the season.

sports and fitness @anmol

Engaging children in sports and fitness activities is not just about physical well-being but also building essential life skills. Through various races, from traditional sprints to fun-filled three-legged races, we encourage healthy competition and camaraderie. Fitness activities like jumping jacks, yoga, and dynamic stretches not only boost physical strength but also teach the importance of flexibility and balance.

Circuit races, where kids navigate through a series of stations, enhance endurance and agility. Collaborative sports like relay races foster teamwork, teaching children the value of cooperation and shared goals. These activities not only promote a love for an active lifestyle but also instill vital social skills, laying a foundation for a balanced and healthy future.

abhinay of ankur, nursery and KG @anmol

Our little minds of grades Pre- nursery to kindergarten of Manaskriti School celebrated the annual day "Abhinay 1.0"

The event commenced with seeking the blessings and lighting the lamp. The gathering was addressed by Honourable Trustee Ma'am Ms. Manisha Gupta and respected Principal Ma'am Ms. Jyoti Bhalla. They appreciated the efforts of all the children and teachers. Children demonstrated the Seven Stages of Life (William Shakespeare's). The different stages of life were depicted by the tiny tots as dreamers, explorers, builders, givers and mentors.

abhinay of grade 1 and 2 @anmol

The celebration this year was nothing short of a delightful extravaganza as we stepped into the enchanting world of “Willy Wonka and the chocolate factory”. This theme transported us to a whimsical wonderland filled with candy, imagination and unforgettable memories. The school was adorned with vibrant larger than life candies, giant lollipops, and colourful balloons that set the stage for a magical day. Students transformed into Oompa-Loompaas, Charlie Buckets, Veruca Salts and of course Willy Wonka himself. The enthusiasm and creativity were on full display as they brought these beloved characters to life. The highlight of the day was the play, where the students re-enacted key scenes from the movie with incredible finesse. The chocolate room was a sight to behold, with a waterfall of glistening, golden coloured fabric representing the molten chocolate.

आमोद

Unleashing the Power of Experiential Learning

Learning is always a fun especially when it is done with classmates and it becomes a healthy learning by ensuring smooth understanding of concepts. Grade 5 children made the structure of backbone using thread and beads and thoroughly enjoyed it doing altogether.

Achieving heights in field of sports

Manaskriti's junior soccer team secured a triumphant victory in their match at the golden baby league, marking a perfect end to the year. The win not only highlighted the team's exceptional skill and dedication but also brought immense joy and pride to the entire Manaskriti community. As they revel in this success, the team eagerly anticipates more achievements and memorable moments in the forthcoming seasons.

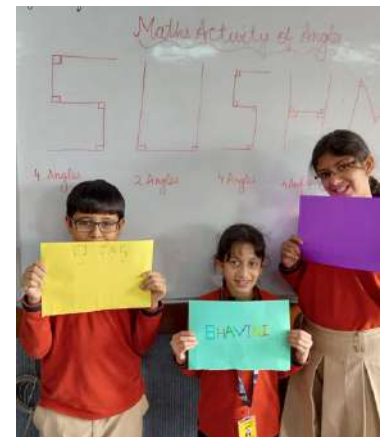

Enjoying Diwali with activities other than bursting firecrackers

Empowering Growth: The Impact of Peer Tutoring on Student Success

Collaborative learning in classrooms not only enhances understanding but also fosters a supportive environment. We share ideas, tackle challenges together, and celebrate collective achievements, the journey of learning becomes not only enriching but also a memorable and fulfilling experience.

A fun-filled expedition to kidzania

Students from grades 3 to 5 embarked on an exciting educational-cum-fun tour to KidZania. This visit was more than just a trip; it was a gateway to a world of experiential learning and hands-on exploration for the young minds. KidZania provided an immersive environment where children could step into the shoes of various professions, fostering a sense of responsibility, teamwork, and creativity. From donning uniforms and role-playing as firefighters, doctors, or chefs to engaging in real-life scenarios, every moment was a chance for the students to learn in a playful and interactive setting.

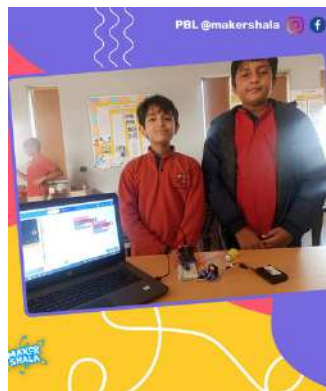

Canvas of Creativity: Exploring the World of Visual Arts

Engaging in visual arts enhances students' creativity, critical thinking, and problem-solving skills. Through the exploration of various mediums, they develop a deeper understanding of self-expression and cultural perspectives. Additionally, visual arts education fosters an appreciation for aesthetics, promoting a well-rounded and culturally aware learning experience.

Driving Innovation: @Manaskriti

Engaging in hands-on exploration, students at @Manaskriti School are not just learning about technology but actively applying it. In a recent project, learners harnessed the power of Micro:bit and a motor controller to design a vehicle for the "Oil Spill Cleaner" initiative. This inventive endeavor not only provided them with practical insights into motor control systems but also instilled a sense of environmental responsibility as they creatively tackled real-world challenges. The project showcases the school's commitment to fostering a dynamic and forward-thinking learning environment, where students can seamlessly integrate technology and innovation into their educational journey.

guru nanak jayanti

Students of Grade 4 Vayu embraced the spirit of Guru Nanak Jayanti with a soulful assembly. They began with a heartfelt prayer, seeking guidance and wisdom. The air resonated with hymns, echoing the teachings of Guru Nanak. The rendition of "Nanak Nanak Aaya" filled the outdoor abhimanch with devotion, and the atmosphere was further enriched by the melodic strains of "Prabhat Pheri."

Enchanting Christmas

"Christmas waves a magic wand over us and makes everything more beautiful." The Grace School celebrated the festive joy but also imparted values. Dressed in vibrant colours, the children performed on stage, showcasing the true spirit of Christmas. Amidst the joyous carols and the values of love, generosity, and kindness. In their celebration, the children highlighted the importance of kindness and the true meaning of Christmas.

Triumphs and Achievements

Dishaan Puri clinched a bronze medal for his remarkable skill and dedication in the Faridabad District Badminton Championships in the U-11 category. Lavish Sachdeva achieved third place and won a silver medal in the Motivation category. Manaskriti's students across

Saluting Heroic Troops and the Invincible Spirit (Indo-Pak War 1971)

"The Harder The Fight, The Greater The Victory". Our valiant soldiers showcased resilience and courage. Ambar's students held an assembly to honor the brave (Indo-Pak War 1971) and salute our courageous warriors.

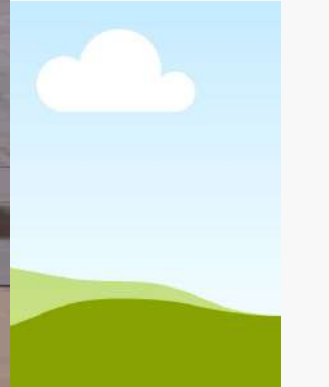

It is important to ensure that a child should be connected to their Indian roots, what makes them unique, more than making clay diyas when Diwali is just a festival. Clay diya crafts are not only beautiful but also have cultural significance.

Student Achievements

Gunmay Singh, a student in Delhi, showcased his talents in various sports. Additionally, in the Faridabad District Badminton Championships, he won the single and double U-11 level trophies. Furthermore, he won silver medals in the Motivation and Creativity categories. Gunmay claimed a silver medal for his talents and achievements of

abhinay of grade 3-5 @aamod

On October 29th, the young talents from grades 3 to 5 at Manaskriti School transformed their campus into a whimsical wonderland during the annual day celebration, 'Abhinay 1.0'. Stepping into the enchanting world of "Willy Wonka & the Chocolate Factory," the event unfolded as a delightful extravaganza. The school was adorned with vibrant, larger-than-life candies, giant lollipops, and an array of colorful balloons, setting the stage for a day filled with magic and excitement. Students embraced their roles as Oompa-Loompas, Charlie Buckets, Veruca Salts, and Willy Wonka, bringing these beloved characters to life with enthusiasm and creativity. The highlight of the day was a mesmerizing play, where students re-enacted key scenes from the movie with finesse. The chocolate room, featuring a golden-colored fabric waterfall representing molten chocolate, and the quirky inventions showcased during the factory tour added to the immersive experience. The Oompa-Loompas' harmonious dance and song captured the essence of the film, making 'Abhinay 1.0' a day filled with enchantment, creativity, and treasured memories.

Discovery lab @ manaskriti

@ManaskritiSchool, learners showcased ingenuity by developing a DIY Innovative Microscope, utilizing laser and syringe technology. This hands-on creation provides a unique exploration into the world of microorganisms, offering students a captivating experience in crafting and scientific observation. As part of this initiative, students were introduced to the intriguing realm of tiny organisms through a Foldscope designing activity, enabling them to observe microfibrers present on clothes. This innovative approach not only sparks curiosity but also nurtures essential skills for scientific exploration and discovery among the learners.

Celebrating the Splendor of Durga Puja

Durga Puja unfolded at Manaskriti with a spectacular assembly led by Grade 6 students, who illuminated the occasion with their talents through captivating dances, soulful songs, and heartfelt recitations. A heartfelt acknowledgment extends to our esteemed Principal for enriching the students' understanding of the cultural and mythological dimensions of the festival, fostering a deeper connection with these cherished traditions in our lives.

Empowering wellness

Wisely addressing the transition into adolescence, Ms. Bhavya, a Student Wellbeing Expert, conducted a comprehensive Puberty and Adolescent Skills Training session at Wisper. In collaboration with Right Side Story, the workshop aimed to raise awareness among girls about body changes, emotions, consent, and bullying. Ms. Bhavya skillfully navigated through these topics, providing valuable insights and answering all questions to ensure a well-informed and supportive environment for the participants.

abhinay of grade 6-8 @aakar

Our Annual Day Celebration was a vibrant tapestry of cultural diversity, as we dedicated this spectacular event to the enchanting rhythms and movements of 'Dances of the World.' The stage came alive with a kaleidoscope of colors, and the air was filled with the infectious energy of various dance forms representing cultures from around the globe.

The meticulous choreography and dazzling costumes transported everyone to far-off lands, creating a magical atmosphere that celebrated unity in diversity. The Annual Day became a mesmerizing showcase of not just dance but also a celebration of the beautiful mosaic of cultures that make our school community truly special.

Elevating Expression: The Transformative World of Visual Arts

Learning takes on a delightful dimension when shared with classmates, especially through art. In a recent activity, the students worked on color schemes and this artistic endeavor not only made the learning process enjoyable but also added a creative flair, demonstrating how the fusion of arts and education can enhance the overall learning experience.

आकार

Inter-House Rangoli Competition Unleashes Creative Brilliance

The spirit of Diwali came alive as each house showcased unique patterns, weaving a tapestry of creativity. The Rangoli competition not only adorned our school with colorful traditions but also fostered a sense of camaraderie among our talented students.

Experiential Learning: A Journey Beyond the Classroom

Experiential learning transcends traditional boundaries, providing a hands-on and immersive educational experience. This dynamic approach engages learners actively, fostering a deeper understanding of concepts and encouraging critical thinking. By directly involving students in real-world scenarios, experiential learning promotes practical skills, teamwork, and problem-solving abilities.

Constitution Day Commemoration

A special assembly was conducted by the students of grade 8 to celebrate Constitution Day, officially observed on 26th November. The students provided information about Fundamental Rights, Fundamental Duties, and Our Preamble. They also portrayed the role of Dr. Bhim Rao Ambedkar and explained why the Constitution was not enforced on 26th November 1949 immediately after its completion. The participants took a pledge to be responsible citizens of the nation. Additionally, the event featured a patriotic touch with the rendition of the melodious song "Ae Watan Mere, Abaad Rahe Tu."

Fostering Excellence Together

Beyond Shapes: A Multidimensional Approach to Learning. Our students engaged in a hands-on activity to explore the world of shapes, enhancing not only their visual organization skills but also laying a foundation for proficiency in reading, math, and science. Through creative design projects, children delved into the intricacies of various shapes, fostering a deeper understanding of edges, vertices, and faces of 3D shapes. This interactive learning experience not only made education enjoyable but also interconnected skills across diverse curriculum areas, making learning a holistic and engaging journey for our young minds.

आकार

Empathy in Action

In a heartfelt assembly, Grade 6 students at Prithvi School celebrated World Disability Day, promoting awareness and inclusivity. The event featured impactful speeches, poetry recitations, and a small Nukaad Natak, all aimed at fostering understanding and support for individuals with disabilities. The assembly concluded with a call to eliminate discrimination and create an environment that celebrates diversity—a testament to the school's commitment to empathy and inclusiveness.

"Nature, Thrills, and Learning: Manaskriti School's Unforgettable Excursion to Rangmanch Farm

A Memorable Excursion to Rangmanch Farm, Sultanpur in Gurugram for Grades 6-8. The one-day journey provided a refreshing break from the classroom, fostering a deep connection with nature. Students and teachers alike cherished the opportunity to explore sports skills, engage with farm animals, and partake in thrilling activities such as ziplining, obstacle courses, and more. The overwhelmingly positive feedback highlighted the educational and fun-filled nature of the day, leaving a lasting impression on all. These excursions not only amplify enjoyment but also instill values, fostering a sense of togetherness in learning and play

Manaskriti's champions

Cheers to the exceptional achievements of Team Manaskriti and the talented students of Grade 7! Kushagra Gandhi, Aadya, and Ranak Gandhi secured a Gold medal in the U-13 Doubles category at the Faridabad District Badminton Association. Their stellar performance not only exemplifies their dedication to the sport but also brings immense pride to the entire school community. Such accomplishments serve as a testament to the spirit of excellence and teamwork fostered at Manaskriti

G20 Summit: Shaping the Future through Global Collaboration

The G20 Summit at Manaskriti School, enacted by grade 11 students, was a dynamic simulation where each student took on the role of a representative from a different country. With enthusiasm and creativity, they engaged in discussions on global economic and political issues, fostering a deeper understanding of international relations. This educational exercise provided a platform for students to explore diplomacy, cooperation, and problem-solving on a global scale, preparing them for the challenges and opportunities of the future.

Nurturing Tomorrow: The Art and Science of Effective Parenting

In a recent meeting with Grade 11 parents, the focus was on exploring effective parenting styles tailored to the unique challenges of adolescence. The workshop, conducted by Principal Ms. Jyoti Bhalla, delved into Emotional and Social Ailments, recognizing the challenges adolescents face. The discussion highlighted the importance of empathy and understanding, encouraging parents to create a supportive environment where their children feel comfortable expressing their emotions. Practical tips for effective parenting, including active listening, setting realistic expectations, and fostering a sense of responsibility, were shared. Establishing a balance between support and independence emerged as a recurring theme, emphasizing the significance of navigating the teenage years with wisdom and compassion.

excursion -visit to prime minister museum

An interesting and an informative visit to prime minister museum made children of humanities stream learn and explore more from the archives of our country . It also made them to make their choice of their role model leader .

career counselling with professor of IILM

On October 19 IILM University, Greater Noida visited Manaskriti School and gave the students of classes 11 and 12 a Session on the Topic: Importance of choosing the right career option by Mr. Rachit Sharma, Assistance Professor Law.

Mr. Rachit Sharma holds LL.M. and B.A.LLB (Hons.) degree from Guru Gobind Singh Indraprastha University, New Delhi. He is currently working as Assistant Professor of Law at IILM University, Greater Noida and is also the Assistant Editor in IILMU Law Journal. The presence of IILM University in our school brought a touch of excellence and wisdom, offering valuable insights into the world of law and legal education. The university also shed light on scholarship opportunities, internships, and extracurricular activities, showcasing its dedication to holistic student development. By explaining the financial support available and the practical experiences that enrich legal education, IILM University ensured that students were well-prepared for their academic journey and beyond.

chaupai competition

रामायण जीवन जीने की संपूर्ण कलाओं को बुद्धि विवेक को जागृत करने की कल्याणकारी ग्रंथ है ,जिसमें सारे जीवन का सार छुपा हुआ है। रामायण हमें धर्म के रास्ते पर चलना सिखलाती है। जीवन के हर मोड़ पर मार्गदर्शन करती है | रामचरित मानस की कुछ चौपाई व दोहे को पढ़ने से चंचल मन शांत हो जाता है | कलयुग में राम नाम लेने से जीवन की हर विकट परिस्थितियों में राम जी द्वारा बतलाई गई शिक्षा को जीवन में अमल में लाना होगा।मनस्कृति के छात्रों द्वारा प्रस्तुत की गई चौपाइयों से सभी विद्यार्थियों ने यह सिद्ध कर दिया कि यदि हम कोई भी कार्य एकाग्रता और निष्ठा से करें तो उसका सफल होना निश्चित है।

जय श्री राम 🙏

Grade 10's journey to victory at Sci-Spectacle

The Grade 10 students secured a notable achievement by clinching the prestigious 2nd prize at Sci-Spectacle, an inter-school science competition hosted at Vidya Mandir Public School. Their project, titled mushroom farming with AI tools, captivated both judges and spectators alike, showcasing a perfect blend of innovative thinking, comprehensive research, and effective presentation skills.

Exploring the adventures of Rangmanch Farm

Grade 11 and 12 of Manaskriti school had a blast at Rangmanch Farms! An adventure-filled day brought them closer together as they explored and enjoyed every moment. Here's to unforgettable memories and the amazing times they shared!

Culinary creativity unleashed: The cafeteria innovation initiative

At Manaskriti School, on 25th November, our Grade 11 students from the domains of Commerce and Humanities cooked up a storm of excitement through an unforgettable day of running their very own pop-up cafeteria! With spatulas in hand and entrepreneurial spirits soaring, these budding managers and creative minds dove headfirst into the world of business. The school cafeteria transformed into a hub of delicious chaos, proving that learning can be as fun as it is educational. This hands-on venture wasn't just about serving up tasty treats; it was a recipe for teamwork, laughter, and discovering the awesome possibilities when we combine business smarts with a dash of creativity.

Empowering Success, Embracing Futures

Welcome to Shikhar, our inaugural valedictory ceremony, where we gather to honor the remarkable achievements and resilience of our graduates. Today marks the culmination of their academic journey—a momentous occasion to celebrate their ascent to new heights of knowledge and personal growth.

We are delighted to have our distinguished guest of honor Ms Leena Malankar Vij, who is a great Indian Classical Kathak dancer and Shree Deepak Maharaj (Son of late Pandit Birju Maharajji) honored and grace the occasion. The symbolic Ceremony, led by the esteemed Trustee maam, Ms Manisha Gupta addressed the students imparting word of wisdom and blessed the students for their health, happiness and success added a touch of solemnity and reverence to the occasion. The inspiring words by Principal Mam added depth and meaning to the event. Mam motivated the students to embark on their future endeavors with confidence and keep aloft the values and ethics imbued by the school.

The speech presentation by the Head Boy Amit Yohan and the Head Girl Nishu Chandila were a blend of gratitude and wisdom, reflecting on the memorable experiences and lessons learned during their time at the school.

The event reached its emotional peak with a heartfelt video that beautifully captured during practice sessions, essence of the shared experiences of the graduating class.

The event also had a poetic dedication by our Head Mistress Ms. Vijaya Sethi mam added a touch of artistic finesse to the farewell. In the end each teachers penned thier emotions and handed over a memoir to each of them.

The Academic Excellence Award ceremony was a momentous occasion as we recognized and celebrated the outstanding achievements of our bright minds. Udita Verma and Yadvi from Grade 6, Abhyas and Banee Kaur from Grade 9, and Mehak from Grade 11 demonstrated exceptional dedication to their studies and a commitment to scholarly excellence. Their accomplishments serve as an inspiration to the entire academic community, reflecting the high standards of achievement we uphold at our institution.

abhinay of grade 9-12 @anant

"Abhinay 1.0" was an enchanting spectacle that brought together grades 6 to 11 in a mesmerizing display of dance diversity. Held on 23rd December 2023, at Manaskriti School, the event celebrated a myriad of dance forms from across the globe. On the same day the school outdoor abhimanch of Manaskriti School was transformed into a mesmerizing tapestry of dance. From classical elegance to contemporary flair, the talented performers enthralled the audience, weaving together a celebration of diverse cultures and emotions through their artistry. Parents, teachers, and dance enthusiasts contributed to the vibrant atmosphere, their presence adding to the joy of witnessing the dedication and artistry of our young dancers. Their support and encouragement uplifted the performers, making "Abhinay 1.0" an event to remember.

Royalty and wilderness unveiled: A journey through Jaipur and Ranthambore

Grades 9, 10, and 11 students embarked on an exciting excursion to Jaipur and Ranthambore. In Jaipur, they explored historic forts and vibrant markets, soaking in the city's rich cultural tapestry. The adventure continued in Ranthambore, where thrilling safaris brought them close to the majestic wildlife. This journey wasn't just a trip; it was a blend of cultural exploration and nature appreciation, creating lasting memories and fostering a sense of camaraderie among the students. As the students immersed themselves in Jaipur's royal heritage and Ranthambore's natural wonders, the excursion became a tapestry of educational and memorable experiences. The laughter shared during bus rides and the awe-inspired whispers at each new discovery forged bonds among classmates.
